BLIZZARD BAG

Dear St. Rocco School Families:

"A Blizzard Bag/REDIKER "Parent Portal" Day" is a snow day, except...

- you do your school work at home...
- use your computer or books, pencils, pens and paper...
- many lessons will include activities...

Blizzard Bag/ REDIKER "Parent Portal" assignments are generated by your child's teacher as an extension of the academic activities being covered in the classroom at the time of a snow day(s).

Blizzard Bags will be prepared by the teacher and sent home. **The bag will always remain at home.** Refills of work assignments will be sent home in the Thursday Packet as needed.

There are two places you'll need to look for snow day assignments:

1. Teacher's REDIKER "Parent Portal" page
2. Blizzard Bag

The REDIKER "Parent Portal" page will list assignments and activities to work on for that day. Within the **Blizzard Bag**, there will be papers which need to be completed as well. Assignments will be numbered for the snow day. For example, if school is closed for one day, only 'number 1' assignment will be required. For two snow days, 'number 1 and number 2' will be required, etc. The special subject class assignments for music, art, religion and middle school health will need to be completed only if you have that particular class(es) on that snow day.

Students must bring in completed assignments upon returning to school. The assignments will be credited.

If your child has questions regarding his/her assignments, they may e-mail their teacher. Over the course of the 'school day' hours, teachers will periodically check their e-mail and answer student questions.

Your support and understanding is appreciated during what may be a difficult winter season!

Many Blessings,

Mrs. Lorraine S. Moschella
