INCOMING SECOND GRADE

June 2024

Dear Parents,

The Lord has done many good things for us. Let us thank him for his guidance and providence.

Before we realize it, a new school year will be upon us with its hopes and dreams. My name is Sr. Daisy and I will be your child's Second Grade Teacher for the year 2023 - 2024. I am really looking forward to work with you and with your child. As I welcome your child to second grade, I ask you to please help him/her to get ready for the second grade. In first grade, your child has learned many things and matured in many ways. Learning never ends, so I ask you to please help your child to:

- Memorize well the basic addition and subtraction math facts
- Practice math skills
- Read every day at least for 30 minutes
- Write a daily journal about his/her summer days
- Practice reading and writing skills & writing stories
- Read at least five books. Choose three of your favorites and complete the required book report for each. The form is included.

All reports, the poster "All about Me," and completed math packet will be due at the start of new school year.

I thank you in advance for your support and help. Wishing you a very restful and enjoyable summer vacation, I ask the good Lord to bless you and keep you and your children safe during these summer months.

Sincerely,

Sr. Daisy Kollampampil, FMA

Second Grade Teacher
