A ROMAN CATHOLIC SCHOOL

## CELLULAR PHONE FORM

I give my child permission to have a cellular phone in school. My child and I both understand that the following guidelines apply with reference to carrying and using a cellular phone at school:

- ♥ St. Rocco School discourages the use of cellular phones by students. However, if a parent or guardian feels it is necessary, students may carry cell phones to school.
- ♥ Students who carry cell phones to school may not use them at all during the school day. Phones are to be turned into the main office and signed in and out daily. No student may keep a cellular phone on his/her person.
- ♥ If a student needs to make an urgent phone call, he/she is to speak to the teacher who may refer him/her to the office where the call will be made in the presence of a staff member.
- ♥ Students who have phones with special features (i.e., internet, camera, video, text messaging etc.) may not use these features on school property or on the school bus or during a field trip.
- ♥ If a student is in school after school hours and needs to use the cell phone while on school property, they must first get permission from a faculty or staff member. The student may then make his/her phone call in the presence of this person.
- ♥ If a student chooses to ignore these guidelines and use a phone during school hours, the phone will be removed and a parent will have to come and retrieve it in the school office. The privilege of having a cell phone in school for the rest of the trimester will be determined by the administration.
- ♥ St. Rocco School will accept **NO RESPONSIBILITY** for cell phones brought to school.
- ♥ We strongly urge that parents not allow students under 3<sup>rd</sup> grade to bring cell phones to school/

We have read and understand the *Cellular Use Policy* of St. Rocco School. The student below has parental permission to have a cell phone in school.
