NCEA has created a new theme to celebrate Catholic schools: “Catholic Schools: Learn. Serve. Lead. Succeed.” It encompasses the core products and values that can be found in Catholic schools across the country. Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, but we, as educators, are growing with them. In Catholic schools, we are all learners, servants and leaders. These shared qualities are what make Catholic schools work. They are what make Catholic schools succeed. The official CSW logo brings the theme to life. The open book made up of multi-colored pages symbolizes how all areas of Catholic schools blend together, with faith — symbolized by the cross — at the forefront. Catholic schools are vibrant, dynamic and excellent.

CHRIST is the reason for this school.

~in our minds, on our lips, and always in our hearts~
